BRIEF BIOGRAPHY

Dr Eric Chung is a consultant urological surgeon at the AndroUrology Centre for Sexual, Urinary and Reproductive Excellence and holds professorial academic appointments at the University of Queensland in Brisbane and Macquarie University Hospital in Sydney, Australia. He is currently the Secretary-General for the Asia Pacific Society of Sexual Medicine (APSSM), and Chair of the Membership Committee at the International Society on Sexual Medicine (ISSM). He has held numerous positions within ISSM over the last 10 years including Scientific Convenor for the first (hybrid) virtual WSM in 2021, Chair of Scientific Committee, Chair of the Prostate Cancer Survivorship Committee at the last International Consultation on Sexual Medicine and editorial board members of various ISSM journals (current Associate Editor for SMOA and past editorial board member of JSM). He has been awarded a Special Service Award by the ISSM in 2021 as an acknowledgement for being instrumental in the promotion of the ISSM worldwide and having provided outstanding services to ISSM. Within the Asia-Pacific region, he has served on the executive board of APSSM since 2012 and is appointed as one of the vice presidents of the International Chinese Urologists' Association (ICUA), as well as the Chair of the Male LUT section and past Chair of the Andrology section for the Urological Society of Australia and New Zealand (USANZ).
